Dear

If you already know about Destiny Rescue, you will be aware that Destiny Rescue's mission is to rescue children from sexual exploitation and human trafficking and to equip them to stay free.

A couple from Buderim on our own Sunshine Coast began this work in 2001 after becoming aware of child sexual exploitation in Thailand. Fast forward 24 years and they operate in 5 regions in Asia, Africa and Latin America rescuing and restoring lives every week, bringing hope and healing to children. Their head office remains on the Sunshine Coast with frontline staff such as rescue agents, border agents and social workers on the ground in seven countries.

'One child at a time' is the focus of the charity knowing that every rescue changes a life forever. Check out their website to discover individual stories like Malik. He was rescued from a life of abuse and resettled with a safe relative supported by Destiny Rescue with a new business so they have financial stability. Malik once said "my life is just gone, totally gone" but after support for his trauma and the change in circumstance he has words of hope, "I can study, I'm in class with my fellow mates, I have some friends.... It makes me happy".

On 10 May this year we are holding an auction to fundraise to rescue more children like Malik. We would love you to partner with us in supporting Destiny Rescue to save one more child. Or maybe 10 more!

So, how can you do that?

- We'd love you to attend the auction and enjoy being part of the event.
- Perhaps you can place this flyer on your premises to raise awareness of the event?
- We are looking for more donated items of vouchers, services or items.

Feel free to reach out to me for any questions you have. Thank you for considering supporting Destiny Rescue.

Kind regards
